Val di Sole Bikeland si arricchisce di una nuova disciplina!

La Val di Sole è infatti la prima Gravel Destination d'Italia! Come suggerisce il nome, non si tratta di un gravel classico: poco asfalto e tanta ghiaia, il tutto tra 1650 e 2200 m s.l.m. Sarà più tecnico, più performante e più spettacolare dei sentieri a cui sei abituato.

Quali sono le caratteristiche principali dei percorsi in valle?

- dislivello notevole, a partire da 970 m D+;
- pendenza importante, con tratti fino al 21%;
- fondo alpino, può essere smosso o sassoso;
- sarà necessario il portage;
- discese tecniche e pendenti.

Per scoprire i 6 anelli presenti in Val di Sole Bikeland, scannerizza il QR Code.

ALPINE GRAVEL

Val di Sole Bikeland welcomes a new discipline.

Val di Sole is now officially Italy's first Gravel Destination! As the name suggests, this isn't your typical gravel: minimal tarmac, lots of gravel, all between 650 and 2200 meters above sea level. It's more technical, more high-performing, and more spectacular than the trails you're used to.

What are the main features of the routes in the valley?

- Significant elevation gain, starting from 970 m of ascent;
- Steep gradients, with sections reaching up to 21%;
- Alpine terrain - loose or rocky surfaces;
- Portage will be required;
- Technical and steep descents.

To discover the 6 loops in Val di Sole Bikeland, scan the QR Code.

Scopri tutte le strutture che garantiscono i principali servizi utili agli appassionati delle due ruote!

Here's a list of bike hotels that guarantee the main services needed by keen two-wheelers!

Below is a list of their main services:

- bike storage with surveillance;
- changing rooms and laundry;
- ordinary maintenance and repair shop;
- bike washing;
- qualified personnel and bike info desk;
- dedicated catering;
- e-bike charging point

Entdecke die Fahrradfreundlichen Unterkünfte, die wichtigsten Serviceleistungen für Zweiradliebhaber anbieten!

Radfreundliche Ausstattung in den Unterkünften:

- überwachte Fahrradaufbewahrung;
- Umkleieraum und Wascheservice;
- Routinewartung und Werkstatt;
- Bike Wash-Service;
- geschultes Personal;
- Lebensmittel für Radfahrer;
- Ladestationen für Elektrofahräder;
